## THE THEATERS

No. 12 of the series of "The Adventures of Kathlyn," entitled "The King's Will," is being shown today at the Odeon theatre. Kathlyn offers to restore the hidden treasure of the late king of Allaha to the supreme tribunal as a release from that irksome crown. The adventures on the volcanic island of the treasure trove are thrilling beyond compare. There

will be but one more number of this series, which will be shown two weeks from today.

The Seven Russells in up to date minstrelsy with fine singing and dancing, pretty costumes and beautiful girls are on the bill for the last half of the week.

Other screen offerings today are "Bunny Buys a Harem," (Vitaphone), "At Last We are Alone," (Selig Comedy), and "The Lucky Vest," (Edison comedy).

Reel No. 20 of "Our Mutual Girl" series is showing today at the Orpheum theatre. This week, Marguerite, in search of her protege, Ada Taylor, is kidnapped by blackmailers and held for ransom. New York's greatest detectives are put on the case and in this reel excitement reigns supreme. Irvin Cobb is writing the story of "Our Mutual Girl" series and you may be sure that he'll make things interesting. "Metamorphosis," a beautiful American drama, is also included in the bill for today. Sidney Ayres and Vivian Rich have the leads. Tomorrow, another "Shorty" picture will be shown. It is called "Shorty's" trip to Mexico. There is a comedy treat produced by the Broncho Players Stock Company.

A two-part Vitaphone drama, "Johanna, the Barbarian," and four comedies are on the screen today at the Bijou. Friday an Edison masterpiece, "His Sob Story," will be shown. The Pathe weekly and a fine Vitaphone will also be shown.

Ruth Roland, the sprightly Kalem comedienne, who appears in the new comedy, "The Wages of Sin," which is to be released Friday, June 19, intends to apply for an aero-pilot's license shortly. Possessing the accomplishments of swimming, shooting, riding and even boxing, Miss Roland decided that managing an aeroplane couldn't be very difficult and forthwith commenced taking lessons. Soon the citizens of Hollywood, where the charming actress resides and where the Kalem company is located, may expect to see Miss Roland "looping the loop," and performing other stunts new being practiced by aviators.

Bertha Mann will be leading woman with Arthur Byron in "Today," the coming season.

Walter Jordan has secured in London for American production a play called "Clever Ones."

## SEEK AID OF SPORTSMEN

Does Forest Service in a Campaign to Prevent Forest Fires through Carelessness.

WASHINGTON, June 18.—Because of the fact that many forest fires are set through the carelessness of hunters, campers, and others who go into the woods for recreation, the forest service has taken up with manufacturers of firearms and ammunition the question of a co-operative arrangement through which purchasers and users of guns and cartridges shall be reminded of the fire danger.

It has been pointed out that in the lumber regions of the northwest, for example, manufacturers and other business men have been having printed or stamped on their stationary and pay checks various crisp, catchy statements about the loss which the public suffers through the decreased demand for labor and decreased money in circulation if timber, which is the source of many of the northwest's industries, is burned up.

Injure Sportsmen's Interests. It has been pointed out that in the east particularly many forest fires are started by the carelessness of hunters who drop burning matches, cigar or cigarette stumps, or pipe coals in the woods, or perhaps build a fire which is left burning when the hunter goes on. Forest fires of course greatly injure the interests of sportsmen by robbing the birds of their proper cover. They also impair the food supply of both birds and big game, through the destruction of the undergrowth which furnishes browse, berries, and other food.
